## 2012 Pinot Noir Rose

*Soil:* sandy loam and red soil

*Oak:* no oak treatment

*Colour:* vivid magenta pink

*Nose:* rose-petals, strawberries and raspberry jubes

*Palate:* lively strawberry, hint of autumn berry characters with a sweet fruit finish

## Vintage

The 2011-12 season started close to normal with budburst away in late August. The season was cool and mild and the moist conditions saw a limited need for irrigation. Veraison commenced around Christmas Eve and Christmas saw the arrival of warm and sunny conditions.

Harvest commenced around the traditional start date of Australia Day, with Chardonnay coming in first closely followed by Verdelho. Semillon was the last of the whites to come in, which was unusual as it is often the first white picked. There was significant rain in February and harvesting of Shiraz occurred after the soils had dried back out.

## Style

Brilliant pink in colour; a vibrant summer wine finely structured with strawberry and red berry flavours.

## Tasted

15/10/12

## Tasting Notes

It's always summer when you fill your glass with vibrant berry, roses and spice. Ice cold, it's the drink for anyone with a heartbeat!

## Food Match

Enjoy Scarborough Pinot Noir Rosé with seafood, pate, terrine and antipasto.

## Cellaring

Drink now.

## Winemaking

Scarborough Pinot Noir Rosé sees 24-36 hours skicomes from our second property on Wine Country Drive, Pokolbin. Picked early, Monday 23rd January 2012, so that the natural sugar levels are relatively low. The fruit is de-stemmed, crushed and chilled into 1 tonne grape bins. The fruit, now "must", was left in contact with the skins for 48 hours. This allows for the pink/lighter colour of the Rose. It was then lightly pressed into tank. At this point the Rose was treated as white juice/wine. Fermentation occurred in stainless steel and once finished was fined and filtered. Bottling of the wine was on Sunday 4th March 2012.
